Makow - Looking Back at Our Unmentionable Enslavement

August 18, 2025

Harold Rosenthal, left, with Walter Mondale."We even place within you a 'guilt complex' making you afraid to criticize Jewry openly."

As Westerners become aware of their bondage to Organized Jewry and its rent boy Freemasonry, I repost *"The Hidden Tyranny," (1976)* for newbies.

Our corrupt ancestors gave our national credit cards to Satanists who are maxing them out in order to destroy us and profit at the same time. Cabalist bankers create the medium of exchange (currency, credit) in the form of *a debt to themselves* when governments could easily do this, debt-and-interest-free. "Success" today depends on complicity in this massive fraud and the suicidal satanic agenda it represents. Mentioning it results in ostracism.

In 1976, insider Harold Rosenthal revealed that this subversive satanic agenda already extended to every aspect of Western life. With the covid hoax and the mandatory vaccines, they took the mask off their genocidal agenda.

We have been unwittingly inducted into a satanic sex, money and death cult based on Cabalism (Satanism.) Essentially Satanists make themselves God (i.e. "Chosen.") They redefine reality to serve their pernicious interests. Evil is good, Falsehoods are true; Ugly is Beautiful; Sick is healthy; Unnatural is natural; Unjust is Just etc. Ultimately Satanism worships suffering, destruction and death and devours its own.

Entitled *The Invisible Tyranny,* this shocking 17-page interview (http://www.antichristconspiracy.com/HTML%20Pages/Harold_Wallace_Rosenthal_Interview_1976.h ranks with the revelations of Benjamin Freedman, (http://www.sweetliberty.org/issues/israel/freedman.htm) and C.G. Rakovsky (https://www.savethemales.ca/000275.html) as a reminder of the real dynamic directing world events: i.e. the expansion of the Cabalist credit monopoly to every corner of the world and every aspect of life, i.e. Communism. (https://www.henrymakow.com/what_is_communism.html)

Video *"The Jewish Vax"* (https://coldwelliantimes.com/eilmeldung/the-jewish-vax-video/) -- If, God forbid, the COVID-19 vaccines result in a form of genocide, the wrath should be directed at the perps and pawns, many of whom, like Doug Ford, are Freemasons and not Jews. Ordinary Jews are not consulted in these matters and often suffer as much as non-Jews.

The Protocols of Zion Updated

(Updated from Feb 15, 2004 & Aug. 26, 2024)

By Henry Makow PhD

In 1976, the plan for "Jewish world domination" outlined in *The Protocols of the Elders of Zion* had been largely realized. Harold Wallace Rosenthal, 29, a personal assistant to New York Senator Jacob Javits (https://en.wikipedia.org/wiki/Jacob_K._Javits) felt that Jewish power was so unassailable that he could make some extra cash by telling this story to Walter White Jr., the editor of the Conservative monthly *Western Front.*

"Too many Jews do not have the guts to tell you how we live and plan, but I am not intimated by anything or anyone," Rosenthal told White.

"It is too late for your Christian followers to put up a defense. That time is long past. Long, long ago we had to become the aggressors! That is undoubtedly one of our great purposes in life. We are aggressors!"

Entitled *The Invisible Tyranny,* this shocking 17-page interview (http://www.antichristconspiracy.com/HTML%20Pages/Harold_Wallace_Rosenthal_Interview has been online for some time. It ranks with the revelations of Benjamin Freedman, (http://www.sweetliberty.org/issues/israel/freedman.htm) and C.G. Rakovsky (https://www.savethemales.ca/000275.html) as a description of the real forces directing the world.

Rosenthal needed gambling money but his candor cost him his life. On Aug. 12, 1976, he was killed in a foiled skyjacking in Istanbul. Walter White concluded that the incident was a cover for Rosenthal's murder.

A commemorative Rosenthal *"Fellowship in International Relations"* discreetly furthers the work he indiscreetly exposed. Oddly, there is no picture of Rosenthal on their web site (http://www.rosenthalfellowship.org/) .

According to Wikipedia, he graduated from Cambridge University and Harvard Graduate School, both on scholarships. After working for Congressman Hugh Carey (D-NY) he moved to the office of Senator Walter Mondale (D-MN) where he directed his legislative agenda. After a stint at the Rockefeller Brothers Foundation, Harold returned to the Senate to work for Sen. Jacob Javits. He was definitely an "insider."

Rosenthal says, "Most Jews do not like to admit it, but our god is Lucifer...and we are his chosen people. Lucifer is very much alive."

This statement applies to modern culture as a whole. We do not like to admit that our "secular" society is based on a cosmic rebellion against God. Its true satanic character is becoming more evident every day.

INSIGHTS

Rosenthal says the "Jews" have built an earthly empire partly by rejecting Christ's vision of a spiritual kingdom based on brotherly love. They wanted a warrior king not a Prince of Peace.

"During Christ's time, the Jews were seeking a material and earthly kingdom but Christ offered the Jews a spiritual kingdom. This, they couldn't buy, so they rejected Jesus Christ and had him crucified."

Jewish bankers plan to govern the world from Jerusalem according to their own interests. He says the Jewish religion is essentially a disguise for a racial imperative. "We can live among other people and states [by] persuading them that the Jews are not a distinct people but the representatives of a religious faith..."

"Jewish" power was achieved by gaining control of the monetary system. "We have been successful in dividing society against itself by pitting labor against management. This perhaps has been one of our greatest feats, since in reality it is a triangle, though only two points ever seem to occur. In modern industry... capital, which force we represent, is the apex. Both management and labor are on the base of this triangle. They continually stand opposed to each other and their attention is never directed to the head of their problem."

"Through our national bank, the Federal Reserve, we extend book credit, which we create from nothing, to all local banks who are member banks. They in turn extend book credit to industry. Thus, we do more than God, for all of our wealth is created from nothing. You look shocked! Don't be! It's true, we actually do more than God."

"With this supposed capital we bring industry, management and labor into our debt, which debt only increases and is never liquidated. Through this continual increase, we are able to pit management against labor so they will never unite and attack us and usher in a debt-free industrial Utopia."

Through control of banking, the "Jews" acquired a total monopoly of "the movie industry, the radio networks and the newly developing television media... we took over the publication of all school materials... Even your music! We censor the songs released for publication long before they reach the publishers... pretty soon we will have complete control of your thinking." He says T V programs are

carefully designed "to appeal to the sensuous emotions, never to the logical thinking mind. Because of this, the people are programmed to respond according to our dictates, not according to reason. "

He says the "Jews" control Christian churches and use them to introduce ideas like racial equality.

"No law is ever passed except its merits have previously been taught from the pulpits. An example of this is race equality which led to integration and ultimately to mongrelization. The gullible clergy in one breath instruct their parishioners that we are a special, chosen people while in another breath proclaim all races are the same. Their inconsistency is never discovered. So we Jews enjoy a special place in society while all other races are reduced to racial equality. It is for this reason that we authored the equality hoax, thereby reducing all to a lower level."

He boasts that they control Americans using guilt. "Your people don't have guts. We establish your thinking--we even place within you a 'guilt complex' making you afraid to criticize Jewry openly."

"We Jews have put issue upon issue to the American people. Then we promote both sides of the issue as confusion reigns. With their eyes fixed on the issues, they fail to see who is behind every scene. We Jews toy with the American public as a cat toys with a mouse."

Rosenthal avers that society can only escape this death clutch by violent action not education. "History has been written in blood, not with ink. No letter, editorial or book has ever rallied the people or stopped tyranny. We understand this principle and are forever propagandizing the people to write letters to the President, to Congress... Woe be unto us if they ever see the futility of it, lay down the pen and employ the sword."

But Rosenthal is not worried. Alluding to the promotion of feminism and homosexuality, he says:

"We have castrated society through fear and intimidation. Its manhood exists only in combination with a feminine outward appearance. Being so neutered, the populace has become docile and easily ruled. As all geldings...their thoughts are not involved with the concerns of the future and their posterity, but only with the present and with the next meal."

Rosenthal talks about how a "Jewish" invisible government also controls the U.S.S.R.

"In Russia, there are two distinct governments one visible and the other invisible. The visible is made up of different nationalities, whereas the invisible is composed of AL L JEWS. The powerful Soviet Secret Police takes its orders from the invisible government. There are about six to seven million Communists in Soviet Russia, 50% are Jews and 50% are Gentiles, but the Gentiles are not trusted. The

Communist Jews are united and trust each other, while the others spy on one another. About every five to six years the secret Jewish Board calls for the purge of the party and many are liquidated.

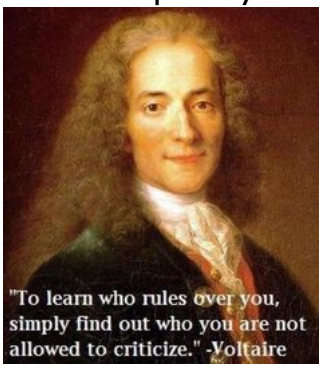
When asked "why"? he said: "Because they begin to understand too much about the Jewish secret government. Russian Communists have a Secret Group Order which consists of Jews only. They rule over everything pertaining to the visible government. It was this powerful organization that was responsible for the secret removal of the centre of Communism to Tel Aviv from where all instructions now originate."

He says Jews control the U N which is "nothing but a trap door to the Red World's immense concentration camp." He says this invisible power is responsible for the wars and revolutions of the last 200 years.

CREDIBILITY

At times the interview seems almost too damning, and we wonder if it is authentic. Why would someone who aspires to national prominence tape such an interview? Couldn't he be blackmailed? He makes many unflattering and untrue generalizations about Jews, which also seems implausible. At times, he veers widely from arrogance to insecurity. At one point, he says Jews have made plans to pack up and flee.

On Nov. 29 2005, I had a telephone conversation with pioneer researcher Des Griffin, author of *The Fourth Reich of the Rich*. Griffin told me that he was invited to Walter White's house in California and listened to the tape of the interview. The Rosenthal character in the interview sounded like a bad actor reading from a script. Certain words were repeated. He says the information is totally credible but the conspiracy is real and does not need to be embellished by fraud.



(Voltaire's dictum- Seems more applicable to Freemasonry. Ever hear them criticized in the MSM?)

I cannot account for this discrepancy. Ultimately, you will make up your own mind. The interview contains many insights only an insider could have, for eg. the references to Lucifer, religion/race and violent change. I doubt if a Christian conservative like White would pull off the kind of stunt he condemns Jews for.

The tone of racial arrogance also rings true. Rosenthal expresses incredulity at the spinelessness and gullibility of the American people. He says a Jew remains a Jew

whether he converts to another religion or not. In my mind, the truth is never a hoax.

CONCLUSION

By presenting this information, I am trying to inspire Jews and non-Jews alike to remove the media blindfold and recognize that Cabalists (Satanists) have hijacked humanity. Modern culture is largely a reflection of this fact. This is becoming more apparent every day.

True culture is based on religion, i.e. a collective commitment to spiritual ideals such as absolute justice, love, beauty and truth. "God is a Spirit and we worship him in Spirit and in Truth," Christ said. (John 4:24)

We are living in the twilight of Christian culture. We have no genuine ideals to take its place. The elite's Orwellian doublespeak (selectively applied "freedom", "tolerance," "diversity," "human rights" and "equality") is a tool of mind control and dispossession. But if we understand the Masonic Jewish matrix, we can escape its thrall.

(Biden is a front for Organized Jewry which is Jewish supremacism and Communism)

First Comment from Sid Green, a Jew:

If Rosenthal's interview is authentic, then I do not appreciate his speaking for all Jews. "Most Jews don't like to admit it.....Lucifer"

How can you not like to admit something that you don't know?

Jews get (falsely) taught that there is no devil or lucifer. How can you worship something that you don't believe in? Only people at elite levels

are initiated into open outward Luciferianism . He is probably right about them, but he speaks arrogantly assuming that other Jews are of his ilk.

The truth is, the "lesser brethren" like me are told nice platitudes about God and Moses and that is what I chose to believe. The common people in Judea mostly accepted Christ gladly. Although Luciferianism has certainly co-opted Judaism, most Jews still don't worship or even believe in lucifer

"During Christ's time, the Jews were seeking a material and earthly kingdom but Christ offered the Jews a spiritual kingdom. This, they couldn't buy, so they rejected Jesus Christ and had him crucified."

The faithful Jews (Isaiah 1:9) did not reject Messiah:

They founded the (genuine) Christian church.

The Apostles and the first Hebrew Christians were the light to the nations.

The evil Jews on the other hand were thrown out of the Israel of God and gven a new job for the Messianic Era: AMALEK.

They have spent centuries cursing Messiah and telling the world that He was a fraud, surreptiously creating Nohaide cults, and persecuting anyone who genuinely believed and obeyed the Gospel.

Judaism has been the threshing floor that seperated the wheat from the chaff or the sheep from the goats.

The evii Jews had to serve God during the Messianic Era: They made a covenant.

But as they didn't want to do the good, they were condemned to do the evil instead (Isaiah 45:7).

Clearly, only the elites of Judaism were consciously in on the various schemes...

But anyone who identifies with that Satanic cult is culpable, because they have validated and facilitated their evil religious leaders.

The Scriptures aren't very politically correct, are they?

But instead of screaming antisemitism, the adherents of Judaism really should wake up instead.

They are not obeying Moses, because obedeince to the old covenant has been physically impossible since 70AD.

Thus they are cursed: Moses said so (Deuteronomy 27:26)

Hi Henry, I'm glad to have read on your site that the new mask mandate in Los Angeles was shot down. I live in Los Angeles and heard rumors they were going to require masks again. This further demonstrates what I've believed for years. The NWO is failing. If they can't even get people to wear masks in Communist run Los Angeles, how are they going to replace the current system with a system where we don't own anything and are happy? I think society has a lot of problems. Casual sex is normalized and that is incredibly destructive, but people haven't given up. People are waking up every day. People know something is wrong. I don't think they're going to accept The Great Reset. And if the establishment pushes too hard, we have a lot of guns in America, maybe we'll make out own reset? Maybe our reset will simply follow the Constitution? The establishment knows this. That's why they're backing off Covid; they're backing off Ukraine. They're trying to find the next thing to use to scare us into submission. But the people are too well informed. I believe for those of us who know the truth our lives will get better; and for those who want to be lied to their lives will get worse.

Steve said (October 21, 2021):

To Sid Green, I believe most don't know this but none the less the vast majority support the satanists and even benefit from warnings and advice from the top that is detrimental to the rest of humanity.

Christine said (December 17, 2020):

The Sanhedrin can't deny a word of this article: It only condenses what is written in the Talmud & the Zohar.

The Kabbalah wizards (aka "mystical Rabbis") talk about it all openly every day on youtube.

WW1, WW2, 9/11, coronoavirus....They quite openly state that these things were all "prophesized" and that they are prerequisites for the global rule of their "Moschiach" (whose number is the infamous 666).

But what these Rabbis don't explain (perhaps because they genuinely don't even realise it themselves) is that these events were all engineered.

If something is "prophesied" in the Talmud or the Zohar, the Zionist "elites" make sure it "comes to pass", because they think it is their pathway to global rule.

JJ said (July 27, 2019):

If one were to live among a dog pack, or a lion pride or a cattle herd one would sooner or later be able to objectively say, "That one is the leader," based upon many factors such as which gets the best food, which has the most confidence or which one bosses the most. Likewise any human involved in commerce, government, education or simply life should be able to come to a conclusion, the same conclusion that Harold Rosenthal admits to, that one group of people has dominance. Why can't we do this when the evidence is all around us? Dunno. It's crazy!

JG said (July 26, 2019):

This interview by the late Mr. Rosenthal was quite revealing to say the least. It gives a method to some of the madness that exists out there.

The world in 1976 was not as corrupt as it is today. The "master plan" of the "master race" hadn't kicked into high gear yet.

The good news is that a lot of his predictions have come and gone. However, there's a new monster on the way. It's what some people have called a type of commercial Babylon.

We are already witnessing the "tech age" takeover of world commerce and finance. A lot of people are worshiping technology and not humanity like the once did when it was a civilized world. They are also worshiping mamom over the religion they once believed in.

The only dividing line in this apocalyptic world to come will between the believers in Jesus Christ and the non believers in Jesus Christ.

Roger said (July 25, 2019):

Sid Green stated:

"Although Luciferianism has certainly co-opted Judaism, most Jews still don't worship or even believe in lucifer."

I believe lucifer and satan to be one and the same. It is my understanding that satanism is not the worship of lucifer or satan but merely Godlessness.

Crowley is attributed with the quote:

"Do as thou wilt shall be the whole of the law of satan".

Those engaged in worshipping lucifer/satan are simply those who do what they want, who do as they please.

Serving God as a member of His family requires a knowledge of God and a knowledge of His ways. If you think that is dumb then think of your childhood: You have to learn stuff such as not shitting in your pants...Most worshippers of lucifer learn how to get what they can - not to love thy neighbour.

Which way is society heading?

The satanists are winning (Mat.24.22) but God is far from defeated.

John said (July 21, 2017):

Great article. Read this interview on a different website and just couldn't believe that an interview like this would see the light of day.

Especially the section "The Control Over Religion"

His utter hatred towards Christianity and "stupid" Christians is almost unbelievable. And the sad part is that too many of these conservative Christians are condoning and enabling this very behavior!!!

The part about the infestation of the Churches is pretty believable as well.

(from Dec.18, 2009)
By Lesley Terry
(henrymakow.com)

In 1904, the first African -American Greek Secret Society was formed in Philadelphia, by Dr. Henry Minton and five of his colleagues. The Boule, (an acronym for Sigma Pi Phi) and pronounced "boo-lay"), was formed to bring together a select group of educated Black men and women.

Fashioned after Yale's *Skull and Bones*, the Boule historically takes pride in having provided leadership and service to Black Americans during the Great Depression, World Wars I and II, and the Civil Rights Movement.

What could the Boule offer America's Blacks in the early 20th century? Joining the exclusive secret society offered advancement and perks to select Blacks in return for loyalty to its objectives.

The upper tenth of Blacks started to live the good life as Boule members, while the majority of ordinary Blacks were disenfranchised. But what were the Boule's objectives?

REMAKING OF THE HOUSE NEGRO

The Boule recruits top Blacks in American Society into its ranks. Today, 5000+ Archons, (male Boule members) and their wives, (Archousais), with 112 chapters, make up the wealthiest group of Black men and women on the planet. "Archon" means "demon" - the kind that like to keep hidden.

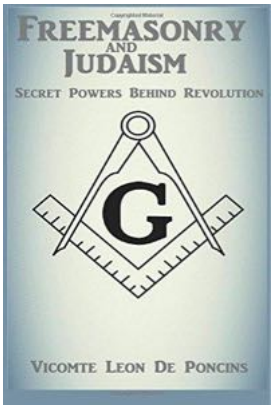
During this year's Oscar ceremonies, Chris Rock admitted that to work regularly in the HollyWeird entertainment industry- black people had to be cleared through a Masonic secret society.

But to who does the Boule really serve? The Satanic (mostly white) global elite! As long as the Black member conforms to the rules, the riches will be in abundance; if not, down comes the hatchet. Blackmail is part of the deal. This Masonic secret society has a pyramid style like all the rest. The lower ranks are kept from knowing what the upper ranks are doing.

The early 20th century was a period of reconstruction. Marcus Garvey's "Back to Africa" Movement was in full swing. Garvey represented genuine Black leadership. W.E.B. Dubois, founding member of the NYC chapter of the Boule said, "The Boule was created to keep the black professional away from Marcus Garvey".

The remaking of the House Negro was necessary to institute a group of Blacks who had a vested interest in protecting the Elite White System. It was about selling out their brothers and sisters for power and money. The majority of Black lawyers, doctors, engineers and accountants were members of this secret club.

PREDATORY INTENTIONS



According to Bobby Hemmitt, underground Metaphysician and Occultist lecturer, "This Black elite society based on Skull and Bones (Yale) was chosen by the U.S. Government (Illuminati) to run Black neighborhoods." See here (http://www.youtube.com/watch?v=PA6jmaoG7V8) : http://www.youtube.com/watch?v=PA6jmaoG7V8

Conspiracy Theorist and Futurologist Steve Cokely, had this to say: (https://www.youtube.com/watch?v=7FeyzCU1JF8) "Anywhere there are prominent professional Blacks, chances are they're in the Boule". Martin Luther King and Jesse Jackson are reported to have been Boule members, among many other high profile, successful and moneyed Blacks such as Barack Obama, Bill Cosby, Al Sharpton and Thurgood Marshall. (http://freemasonry.bcy.ca/prince_hall/famous.html) See this: (http://www.youtube.com/watch?v=ey7gDJfRICA)

The members of the Boule pose as Freedom Fighters or Civil Rights Activists on the surface. In truth, the elite members are operating for personal gain. The Boule works in concert with their masters in maintaining the grip of Illuminati supremacy on their people.

ADVISERS TO THE KING

The Boule is another arm of the nefarious secret societies that recruit, indoctrinate and cull for the dark forces. Therein are perks galore, power and notoriety all lying in wait for the easily compromised soul.

This is an ancient story. The New World Order is The Old World Order. The elite Blacks of the Boule are culling and controlling their own for a slice of the elite white man's pie.

COMPROMISING SITUATIONS

Like other secret societies, the Boule encourages homosexual trysts as initiation practices. This must be done to join the ranks. Bobby Hemmit says, "Any kind of top-notch Negro gets together and they f*ck each other."

These perversions are then cataloged and stored on record. Later, if needed, these abuses may be used as bargaining tools in the ULTIMATE GAME. What is the Ultimate Game? Capturing human souls.

The enemy may appear to have a white face but it goes much deeper than that. This is a force cloaked within many facades, personas, fictions and governing powers. See here: http://masonfitup.blogspot.com/2009/12/masonic-initiation.html.

CONCLUSION:

We, the people, have been handed cultural, political and religious belief systems used to great advantage by these generational Satanists and lying collectives.

These elite systems promote dissension, division, hatred, bigotry and war. According to the ruling powers, people are objects that need to be controlled. Therefore, we have men and women in high places that are soulless and beyond the reach of normal reasoning processes.

We have an ancient enemy with a large collection of demonic assistants. The evil elite has had a good run. Though they may be certain skin colors, certain nationalities and creeds, they are apart from you and me. They have long ago abdicated any and all connections to a shared humanity.

Nice article on the boule, I wished you do more on them.

My question is, don't you think any man now that is going to lead us out of this masonic situation is going to have to be like a double or triple agent type spy. Those handshakes we see with the likes of Hitler and Trump could very well be just a way to be part of the group? And even if Kennedy, Hitler, Trump or others were serious members, could they have gotten balls like Kennedy and changed when he printed his own money, which in turn got him dead. I'm not saying Trump is that kind of man and it would take a genius to pull it off and somehow lead us to better, but it's the only way possible within the system.

The only other option I see is some sort of military man leading military and following the Constitution and arresting all the traitors in gov. and industry.

Robert K said (June 18, 2018):

People would do well to reflect on the profundity of the seemingly simplistic warning that "The love of money is the root of all evil". No matter what groups you choose where money acquisition is involved, all ultimately go bad because mercenary persons infiltrate them and rise to the top.

A corollary of the primary warning is that the people who control the issuance of money thereby can marshal the evil in society. Money is a most useful invention, but trying to outdo your neighbors in accumulating it is fatal to your soul.

As Sir Francis Bacon truly observed long ago: "Money is like muck, no good unless it be spread." Not amassed, but, rather, spread. Anybody who wants to save our besieged civilization should be pondering how the utmost spreading can be achieved and centralized control of policy be ended.

David said (December 20, 2009):

The BOULE is a necessary step in the organization of freemasonry. It allows black people to be 'house' slaves instead of 'field' slaves and in fact to manage the 'field' slaves for the Masters. All the big names in America, past and present, seem tied into the Boule or other secret society. These members work for the fulfillment of satan through the practical implementation of plans for the control and decimation of their own kind. We are all patsies.

This raises the question of how other black people are organized. The leaders must belong to some kind of masonic society, headquartered in Europe or America. Are all masonic societies on the same side or are they rivals, too? Africa and the Caribbean Islands do have sizeable 'black' populations. Are their leaders members of the BOULE or other masonic society?

This must be true. If one examines the happenings in countries such as Haiti, Jamaica, Trinidad and Guyana, there are severe question marks about where the leadership obtained their policies from. In no case has there been any general socio-economic improvement for the masses. In all cases, one can see signs of decadence a la Sodom and Gommorah! Drugs and weapons proliferate and form part of the counter-culture. Shootings, kidnappings and killings have risen dramatically, as drug-blocks and rival gangs germinate. A decent lifestyle is no longer possible in these islands. Schools are breeding prostitutes and criminals. The Police are usually in cahoots with the crime bosses. So what have Leaders like Eric Williams, ANR Robinson, Patrick Manning, Basdeo Panday and their corrupt entourages really done for Trinidad? What have the Duvaliers and their successors done for Haiti? What have Michael and Norman Manley, Edward Seaga and Patrick Patterson done for Jamaica? What have Forbes Burnham, Cheddi Jagan and their successors done for Guyana? While their annual budget presentations seem convincing, they all achieved the progressive ruination of their countries because their agenda came from their masters in the Illuminati and the United Nations.

Africa is on a depopulation spiral. Bio-weapons were deliberately infiltrated into vaccines. The end result was death and disease for peoples who live on one of the wealthiest continents on the planet. Somebody wants Africa badly enough to kill all Africans for it. Poverty, malnutrition, diseases, violence, inflation, lack of production, value-less currencies etc plague every African nation. One would have thought that enough 20th century technology exists that could irrigate the deserts and conquer disease. But, that is not what the masters of the African leaders want! The masters want the total subjugation of Africa to them and their illicitly supported hirelings like Mugabe, make this possible. The UN plays a great role in subverting any genuine efforts to improve Africa. It is used as a vehicle for infiltration, subterfuge and 'false flag' events. No-one is wiser because Associated Press and Reuters are owned by the 'masters'.

It is true to some degree to say that your own people keep you down. The BOULE is proof of this. Color of skin inspires loyalty to a racial elite that serves the wannabe 'master race' of Earth.

Western Decline

Population replacement isn't simply about changing the skin colour of the West; it's about downgrading the intelligence, aspirations, values and morality of the people. It's about rewriting the entire history of a civilisation for the benefit of a tiny, hostile clique.

Obama Admin Stopped FBI Probe Into Clinton Foundation Corruption

First published by *Just the News*, the trouble that agents had when trying to investigate Clinton contrasts with the ease with which the FBI unleashed Crossfire Hurricane, the probe into Trump's so-called collusion with Russia to defeat Clinton. Clinton's campaign, of course, concocted the collusion hoax, which was pushed ahead by the Obama administration's intelligence agencies -- to destroy Trump.

Alex Jones shills for Organized Jewry- His role is to remove the word "Jew" from the discourse. Stopped calling me after I mentioned it.

1. - Alex Jones was married to a Jewish woman named Violet Nichols, with whom he has three(3) children.

2. - Alex Jones is funded by at least thirty-four(34) Jewish sponsors and advertisers whom financially support his radio show and websites.

3. - Alex Jones' flagship radio station, KLBJ AM, in Austin, Texas, is owned by Emmis Communications, a media conglomerate based in Indianapolis, Indiana. The founder, chairman, president, and CEO of Emmis Communications is the Zionist Jeffrey Smulyan.

4. - Alex Jones' radio show is broadcast on Sirius XM Radio. The chairman of Sirius XM Radio is the Jew Eddy Hartenstein. The CEO of Sirius XM Radio is the Jew Mel Karmazin. The President of Sirius XM Radio is the Jew Scott Greenstein. Of the six(6) executive officers of Sirius XM Radio, five(5) are Jews.

5. - Alex Jones employs a Jewish attorney named Elizabeth Morgan who is also employed by Holly Lev Bronfman, the sister of Edgar Bronfman, Jr. Thus there are only two degrees of separation between Alex Jones and the Bronfman family, one of the wealthiest and most influential Jewish Zionist families in North America.

6. - Alex Jones' employee Molly Maroney, the managing editor of Infowars Magazine, is a former intern for Stratfor, a private intelligence agency based in Austin, Texas, which has been linked to the C.I.A. and Mossad. The founder and CEO of Stratfor is a Zionist Jew named George Friedman. Thus there are only two degrees of separation between Alex Jones and Stratfor.

7. - Alex Jones' parents David Jones and Carol Hamman have been employed by the C.I.A. in the past. Alex Jones' deceased uncle Bill Hamman was employed by the C.I.A. and U.S. Army Special Forces. Alex Jones' cousin Verna Grayce Chao is currently employed as a C.I.A. contractor by Dell (previously by IBM). Alex Jones' other cousin

Buckley Hamman was one of the original founders of Infowars in 1995. Thus there are only two degrees of separation between Alex Jones and the Central Intelligence Agency.

James Perloff- AI Threatens to Turn Fiction into "Reality"

A few years ago, I wrote a post called "The Real Reason There Was a 'Golden Age of Television'." In the 1950s, the era of Leave It to Beaver and Father Knows Best, TV was moral. Crime didn't pay. There was no sex, swearing, graphic violence, or homosexual characters. Christianity was presented in a positive light. It had to be that way to get TVs into homes.

But in the fall of 1963, when home ownership of TVs was above 90 percent, the content began noticeably changing; the "frog was boiled" with political correctness, until TV became what it is today.

I believe a similar scenario may play out with AI. Right now it's fun and user-friendly, to encourage us to accept it. But in the future, it may be programmed to incrementally harm us. We may actually end up in a "Matrix" where the difference between reality and illusion is virtually indistinguishable.

I expect the Antichrist himself will use AI to project himself as God--omniscient, "all-knowing."

NETANYAHU'S POLITICAL CRISIS

The Israeli prime minister faces mounting opposition from abroad and new resistance from his own military

The Israeli military's chief of staff, Army Lieutenant General Eyal Zamir, who took office in March, immediately objected to the proposed new assignment. He cited the

exhaustion and fitness of the Army's regular and reserve forces, many of whom have been on and off active duty on tours lasting forty weeks or more. The general also made it clear that putting the over-stretched army in charge of the surviving population of Gaza would not be possible.

Jaw-Dropping Confession of Satanic Subversion

(What Israel does to Palestinians, Organized Jewry & Freemasonry will eventually do to us all in orchestrated pandemics and war.)

While I assemble headlines, I repost this key article that provides perspective on our predicament.

A reader, a longtime patriot, stumbled across this four-page pamphlet among his papers. "I have no idea how I came by it nor when. Nor of the veracity of those such as this one. Thought that if anyone had a use for this one it would be you."

The hate-filled content is consistent with other revelations of the Masonic Jewish agenda, like *The Protocols of Zion (https://henrymakow.com/maurice_joly_plagiarized_proto.html)* and the revelation of Harold Rosenthal. (https://henrymakow.com/000334.html)

For fear of being accused of "antisemitism," the West has embraced its own destruction. This smear is designed to dismiss opposition to Satanism (Masonic Judaism, Communism) (https://www.henrymakow.com/what_is_communism.html) as "bigotry."

They removed their mask during the COVID hoax: "You will own nothing but you will be happy." What more proof do we need that they want to dispossess and enslave us? What more proof than the millions of adverse reactions that they want to poison us?

"We have trained a whole new generation to believe that the only important goal in life is to win popularity contests; so none, for fear of being "disliked", will dare to express any idea or demonstrate any initiative that we do not first implant in them."

This was written around 1950 before social media and the Internet

(July 13, 2024)

A MESSAGE FROM THE HIGH CABALA

SECRET GREETINGS, O Chosen People:

"Many of you are wondering how much longer we Jews here must continue to maintain the abominable pretense of Brotherhood (O, Brother!) toward the hated Christian goyim and when at long last we can dispense with the schmaltz and openly assume our destined role of Lords of the Earth. You are doubtless disgusted with forever acting your parts in the make-believe world we have created to render the goy schmos prostrate and helpless at our feet. **You are impatiently awaiting the Great Day when we can proclaim the beginning of our New Order of the World.**

Let us Rejoice! the Great Day is near at hand! Our long, long-awaited Messiah, Our King of Zion, will soon be crowned to rule over the entire earth! After endless centuries the plans of our learned Elders are nearing complete fulfillment.

The stupid goy cattle are now prepared for the sacrifice. You see such remnants of them as we permit to survive, after we are through selecting them, already serving us in the Soviet Union, Red China, etc. etc., as our trained apes, happy to die slaughtering and enslaving the rest of their fellow goyim for us. You observed how faithfully they performed for us in Hungary. And in all the "'free'' world the goyim are crying for us to take possession of them.

By talking interminably around and around all subjects from all sides, we have so confused and demoralized the stupid goyim that they eagerly support our every move to complete their enslavement. They depend more and more on us for leadership, since only we know how to think. Observe how ready are the witless Northern goyim to punish their recalcitrant Southern kinsmen for impudently refusing to obey orders to integrate with the childish African savages. Remember how they died for us when we commanded them to destroy Hitler, Mussolini, and the Japanese warlords.

Notice how their brutish proletariat are already our prisoners in the labor unions into which we have herded them. In their abysmal stupidity they cannot even see that it is we who are their union bosses, although we never soil our hands with degrading manual work.

They eagerly elect us, or our puppets, to rule over them and obey our orders slavishly. We order them to strike again and again for higher and higher wages, the dim-witted fools never realizing

that we raise prices always just a little faster, and that they are being raised into ever higher income tax brackets.

To compensate us for our efforts, we extract billions from these goy oxen in union dues and welfare funds, which we use for our own purposes. We have taught them to hate unscrupulous, exploiting, rich capitalists, blinding them completely to the fact that we are those ''nasty" capitalists, by patting them on the back and telling them that we are for the "little man"!

Of course they are far too dull to realize that all newspapers, books, magazines, radio, television, and motion pictures endlessly bombard them with our propaganda, teaching them to hate our enemies, their country, their capitalistic system, etc., and to feel guilty for even daring to consider themselves capable of any independent thought. They are our zombies! All we need do in order to promote any idea, no matter how absurd; to advance any of our puppets, no matter how pathetic; to destroy any of their leaders, no matter how worthy, is to press a button and our irresistible propaganda begins to assault them day and night, everywhere they turn--there is no escape--and they believe just as we tell them.

We have turned their schools into glamorous kindergartens, where the addle-brained fools believe they are being educated just because they spend twelve to sixteen years being entertained in fine buildings, having their brains muddled by our clever techniques. Our "modern psychologists" have taught the brainless goy parents that they must let their children grow up like weeds in the fields and never, never to inhibit their detestable brats, for they will be "frustrated and will grow up maladjusted, introverted, and neurotic"!

What is:
"Loxism"
It is the hatred of White people by JEWS. It is the most pervasive form of racial hatred on the planet, and yet it is never mentioned by the mainstream of society, media or education. It is the driving force behind most world events today. It explains why JEWS were kicked out 109 times from European cities in the last centuries
JEWISH hatred of the European-Aryan race is the reason why JEWS planned, pushed and run all of: sexual revolution and homosexual propaganda & rights, feminist empowerment and White couples low birth rate, abortion laws & propaganda, Islamization of Europe, anti-White propaganda in media & education, multiculturalism and dozens of thousands of horrible crimes, rapes, thefts per year done by non-Whites on Whites, Porn, race-mixing-miscegination, church of Satan, atheism, secularism, moral decay, chemtrails, vaccines, fluorided drinks & poisoned food that destroy the intelligence-IQ / health of Whites, and finally the certain future of Whites becoming a powerless minority in Europe, America, Australia, Canada by 2040-2060 and the complete ERADICATION of White-Western Civilization by 2100

Then we turn around and teach their barbaric children to despise their empty-headed parents for neglecting them! We have trained a whole new generation to believe that the only important goal in life is to win popularity contests; so none, for fear of being "disliked", will dare to express any idea or demonstrate any initiative that we do not first implant in them.

Those who refuse to conform are declared in urgent need of psychiatric help and are sent to our psychopolitical operatives, who they innocently believe are interested in "curing" them, but who in reality practice our ingenious techniques for subverting their minds and rendering them our unwitting tools for the rest of their days. And they pay big money for the "privilege"! O, a fool and his money--!

We have induced them to make everyone vote--if we would only say the word, they would vote the babies in their cribs, but you know that would be too messy! We exert complete control over their blind, stupid masses, who "think" and vote exactly as we direct. Were old FDR still alive, we would have him yet in the White House carrying out our orders. Eleanor babbles as we direct her, on and on!

To allow the goyim no possibility of escape, we have seized complete control over both political parties. We can now smugly tell the goy voters that they must vote "in order to preserve their freedom!" We tell them to vote their choice, but by all means to vote--but the idiotic goyim little realize that we are giving them always a choice of two puppets of our choosing. Now that they are trying to form a third party to escape from us, we shall buy control of it too.

Whenever any politician gets nosey, our Bnai Brith ADL well knows how to handle him; witness, Dies, Thomas, McCarthy, Jenner, Welker, Eastland, etc. When a high official dares to oppose us, we destroy him utterly, as we did Count Bernadotte, Forrestal, MacArthur, etc. We have always had complete control of the Atomic Energy Program, and all the armed forces are under our direct control--they fight whom, when, how, and where we order them!

The more observant goyim, having noticed that we never participate directly in the fighting of wars into which we force them, assume that we are cowards--but let them so believe, it aids our Cause. They will soon know better.

In the name of Welfare we are taking from the goyim both their freedom and their money. In the name of Security we have built an impregnable governmental fortress around them, which they will soon discover will be their prison for eternity. In the name of Brotherhood we have taught them not to resist us.

In the name of Charity we have milked them of billions. In the name of Prevention-of-Tooth-Decay we are causing them to construct built-in water-poisoning systems, which will render them completely at our mercy.

In the name of Mental Health we pronounce insane and imprison for life those who resist us. In the name of Progressive Education we are training them to be our unthinking robots. In its very own name we are destroying their bothersome Constitution.

We have used their abominable Christian religion for our purposes. In the name of Brotherhood their ministers are destroying Christianity as we direct, and teaching instead the principles of our brilliant strategist, Karl Marx. Any attempt to resist us in this is branded "unChristian'! What simple schmos!

We have promoted fictitious scientists, who, using monstrous words and clever deceptions, have convinced the goyim that we are so smart that they cannot even attempt to understand our pretentious theories. Thus they have enshrined Sigmund Freud and our devoted Zionist patriot, Albert Einstein, falling all over themselves in blind adulation. And now they are worshiping our Jonas Salk for his unproven polio vaccine.

We have so perverted their art that our Picasso, Gertrude Stein, and Jacob Epstein are considered so brilliant that the moronic goy sheep cannot even grasp what they mean, and pay big money for what a child could have done better!

When some of their few intelligent men realize our chicanery and attempt to expose us, we scream, "Fascism, Naziism, antisemitism, discrimination, bigotry, genocide, insanity!" and our

trained goy monkeys rush madly to destroy these disturbing voices in our world of make-believe! We never allow anyone to criticize a Jew, and no Jewish villain is ever permitted to be depicted.

We feared we were thwarted when our secret plans were stolen and published in Russia over fifty years ago as the *"Protocols of the Learned Elders of Zion*" and our manual on psychopolitical warfare was published by a dirty goy traitor under the title "Brainwashing'.

But we found that our learned Elders were absolutely right when they wrote that **the stupid goyim has eyes, but he cannot see, and he has ears, but he cannot hear. They were so right that such a bovine, unworthy species of animal cannot be considered human. Just as our learned Rabbis wrote in our sacred Talmud, shortly after we rid ourselves of the imposter Jesus, we must treat them as our cattle.**

Rejoice, we shall soon pen the rest of the goy livestock in the barnyard where they belong, never again allowing them to bother us in the conduct of human affairs. We are now completing our conquest of that last bastion of the goy world, the United States of America, and out of all this planned world chaos we are inexorably assembling our new One-Nationed World: its name shall be Zion! Having come at long last into our God-Promised Kingdom over the Earth, Peace, Prosperity, and Power shall bless the Jews forever.

Long live our Messiah, the Invincible World King of Zion!

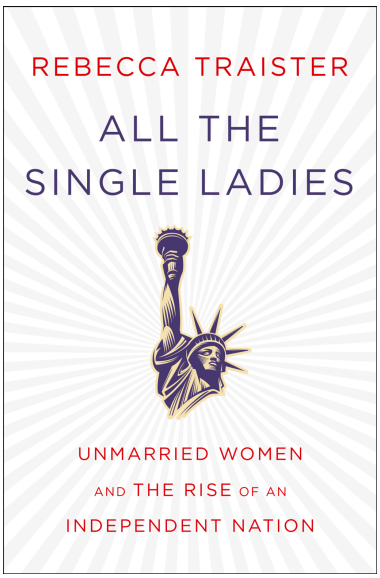
Single Women Are Tools of Communist Subversion

August 16, 2025



"In 2009, for the first time in American history, single women outnumbered married women."

Satanists (Communists) have succeeded in subverting society by brainwashing young women to eschew marriage and family. The destruction of the nuclear family is a plank in the Communist Manifesto.
Women have exchanged familial love for a corporate master. Career will not fill the void.

As Rebecca Traister explains below, the Illuminati have forged an important tool in the feminist movement.
They're why the Democratic Party is Communist; why Masonic institutions like the mass media, education and government increasingly are staffed by women. By betraying themselves, feminists also have betrayed their society, culture, family and children.

Young women need to learn this lesson if they want lasting love: A man loves a woman for the sacrifices she makes for husband and children, not for her sex appeal.

Perhaps more dramatically than any other voting block, unmarried women -- comprising as they do other liberal-voting groups including young women and women of color -- lean left. Way left. **-Rebecca Traister**

There is no way of influencing men so powerfully as by means of the women. These should therefore be our chief study; we should insinuate ourselves into their good opinion, give them hints of emancipation from the tyranny of public opinion, and of standing up for themselves; it will be an immense relief to their enslaved minds to be freed from any one bond of restraint, and it will fire them the more, and cause them to work for us with zeal, without knowing that they do

so, for they will only be indulging their own desire of personal admiration. - Adam Weishaupt, 1748-1830, Founder of the Illuminati (http://freemasonrywatch.org/illuminati.html)

***We aspire to corrupt in order to govern... We have taken from the people all the gods of heaven and earth, which had their homage. We have torn from them their religious faith, their faith in monarchy, their honesty and their family virtues..."* (Giuseppe Mazzini, 1805-1872, Revolutionary, Founder of Italian Freemasonry and the Mafia)**

from Feb 23, 2016

By Rebecca Traister

(Excerpts by henrymakow.com) (http://nymag.com/thecut/2016/02/political-power-single-women-c-v-r.html)

In 2009, the proportion of American women who were married dropped below 50 percent. In other words, for the first time in American history, single women (including those who were never married, widowed, divorced, or separated) outnumbered married women.

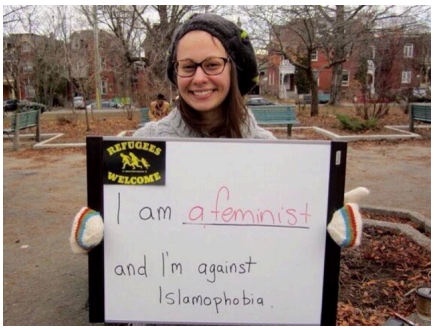
(By remarkable coincidence, a Jewish writer reports on Communist Jewish-inspired "social change.")

Perhaps even more strikingly, the number of adults younger than 34 who had never married was up to 46 percent, rising 12 percentage points in less than a decade. For women under 30, the likelihood of being married has become astonishingly small: Today, only around 20 percent of Americans are wed by age 29, compared to the nearly 60 percent in 1960.

It is a radical upheaval, a national reckoning with massive social and political implications. Across classes, and races, we are seeing a wholesale revision of what female life might entail. We are living through the invention of independent female adulthood as a norm, not an aberration, and the creation of an entirely new population: adult women who are no longer economically, socially, sexually, or reproductively dependent on or defined by the men they marry.

They are doing it because they have internalized assumptions that just a half-century ago would have seemed radical: that it's okay for them not to be married; that they are whole people able to live full professional, economic, social, sexual, and parental lives on their own if they don't happen to meet a person to whom they want to legally bind themselves. The most radical of feminist ideas--the disestablishment of marriage -- has been so widely embraced as to have become habit, drained of its political intent but ever-more potent insofar as it has refashioned the course of average female life.

Single women are also becoming more and more powerful as a voting demographic. In 2012, unmarried women made up a remarkable 23 percent of the electorate. Almost a quarter of votes in the last presidential election were cast by women without spouses, up three points from just four years earlier. According to Page Gardner, founder of the Voter Participation Center, in the 2012



presidential election, unmarried women drove turnout in practically every demographic, making up "almost 40 percent of the African-American population, close to 30 percent of the Latino population, and about a third of all young voters."

Perhaps more dramatically than any other voting block, unÂmarried women -- comprising as they do other liberal-voting groups including young women and women of color -- lean left. Way left. Single women voted for Barack Obama by a wide margin in 2012 -- 67 to 31 percent -- while married women (who tend to be older and whiter) voted for Romney. And unmarried women's political leanings are not, as has been surmised in some quarters, attributable solely to racial diversity.

According to polling firm Lake Research Partners, while white women as a whole voted for Â-Romney over Obama, unmarried white women chose Obama over Romney by a margin of 49.4 percent to 38.9 percent. In 2013, Âcolumnist Jonathan Last wrote about a study of how women ages 25 to 30 voted in the 2000 election. "It turned out," Last wrote in *The Weekly Standard,* "that the marriage rate for these women was a greater influence on vote choice than any other variable."

THE STATE REPLACES HUBBY

During the lead-up to the 2014 midterms, *Fox News* pundit Jesse Watters opined that single women "depend on government because they're not depending on their husbands. They need things like contraception, health care, and they love to talk about equal pay." Conservative pundit Phyllis Schlafly went so far as to claim in 2012 that President Obama was working to keep women unmarried by giving away so many social services to them. "President Obama is simply trying to promote more dependency on government handouts because he knows that is his constituency, " Schlafly said.

The notion that what the powerful, growing population of unmarried American women needs from the government is a husband (or a gynecologist, as was the case with one horrifying 2013 Koch-funded anti-Obamacare ad that featured a grotesque Uncle Sam popping up leeringly from a pelvic exam) is of course problematic. It reduces all relationships women have to marital, sexual, hetero ones and suggests that they are, by nature, dependent beings, in search of someone--if not a Âhusband then an elected official or a set of public policies -- to support or care for them.

Whether or not single women are looking for government to create a "hubby state" for them, what is certainly true is that their (white) male counterparts have long enjoyed the fruits of a related "wifey state," in which the government has supported (white) male independence in a variety of ways. It's hard for us to recognize this, since it has been the norm for so long -- and here, it's

useful to recall Elizabeth Warren's stirring "You didn't build that" speech, in which she pointed out that "there is nobody in this country who got rich on his own -- nobody."

THE SPECTRUM OF ILLUMINATI JEWISH SUBVERSION

The expansion of the population of unmarried women across classes signals a social and political rupture as profound as the invention of birth control, as the sexual revolution, as the abolition of slavery, as women's suffrage, and as the women's-rights, civil-rights, gay-rights, and labor movements that made this reordering of society possible. By their very growing presence, single women are asking for a new deal from their government. The Democratic platform, suddenly more liberal than it has been in a generation, is more liberal largely in response to this new segment of the American population.

(In Canada, most news anchors and reporters are women of colour)

Raising the minimum wage? Two-thirds of minimum-wage workers are women. Forty percent of working single mothers would benefit directly from an increase in the minimum wage, according to the National Women's Law Center. Paid family leave, a third-rail issue for decades, now back in conversation? Well, it would benefit all families, but especially struggling single mothers; so would the government-Âsubsidized early-education programs touted by both Clinton and Sanders. Paid-sick-day legislation is fundamental to a world in which women are primary earners and no one is home to care for sick children or elderly family members. Promises of free college and lowered student debt likely appeal to the women who now outnumber men on Âcollege campuses...

In the context of the presidential primary, it's Sanders who has become emblematic of the leftward inclinations of a changing party and especially its younger members. But the movement that has undergirded much of what we now perceive on the presidential stage as a leftward lurch has been building for more than a decade.

"If you were to take a step back and look at what's going on in American social and labor policy over the past decade where we've actually moved forward and made on-the-ground wins, it's with stuff that addresses changing marriage patterns and attendant work-life conflicts," says Heather Boushey, chief economist at the *Washington Center for Equitable Growth,* and author of *Finding Time: The Economics of Work-Life Conflict*. But what's stunning, she adds, is how little we talk about unmarried women as the driving force behind these changes.

Fun Fact: These are the people running the police departments in some of America's most crime-riddled cities. What do you notice?

First Comment by Tony B:

What is consistently skirted in all the talk about women and politics here is the simple fact that *men prefer freedom in this world, women prefer security.* Plain and simple. Even exceptions are rare. This is also a dead giveaway to the true character of women and their worldly purpose.

It is exactly the reason women should have never been given the vote. A woman's vote becomes nothing but a veto of her husband's vote and we end up with the hated nanny state in which we now exist. You can trace the creation and growth of the nanny state and women's vote. They are exactly parallel.

But it's worse than this. In 1956, my children's mother decided she wanted to be the belle of the bar, any bar, rather than a mother to her three children, all in (cloth) diapers as two were twins. When she left, I went to the local welfare office to hire one of those welfare women as a housekeeper but was rudely told that they were entitled and need not have work.

So I simply said, "Well, I can't work and raise my kids at the same time so I'll go on welfare."

Reply: "You can't do that!"

Answer: "Why not?"

Rude reply: "Because you're a man."

Now this was in 1956, before "everything went to hell." Tell me about discrimination, someone. I'd like to discuss it.

The strangest thing happening to me as I enter my later years of life, is how I find women look basically the same to me. So much so, I may need name tags to remember their names. Oh sure, you have height, weight and other features that put a woman in a sub-group, but once in that group…she looks like the rest of the women in the sub-group. It's a bit embarrassing for me at times to not tell much of the difference.

All Hollywood actresses look the same to me.

I wonder if this is how women see us men as they age. Probably.

God bless all of us.

this article rings a striking bell to the goddess lilith. she was supposed to be wed to adam at creation [according to some jewish tales] but rebelled, went her own way and became deception, fraud, temptation, and not willing to subject to divine authority. she went on to seduce others [like jezebel] using witchcraft. her spirit is alive today; it is so obvious.

And men have no self-control because we live in a flipped world that says hedonism is masculine when actually self-control is masculine.

Bottom line, there are very few men who have been able to escape this, such that they are marriageable.

I believe the main reason women are not marrying is NOT becasue of feminism —its because there is a limited supply of good men to marry!

Chad said (February 24, 2016):

Nature will take its course. As with homosexuality, people who choose this lifestyle will not reproduce. Their attitudes and behaviors will not threaten the existence of man with extinction, as we are plenty in number. Let them carry on. They are living a life which will result in a dead end.

The women and men worth marrying an determined to do so, usually find each other. The rest of the rubbish gets kicked to the side.

Families who care will usually look out for their offspring to ensure the family line continues, Illuminati or no Illuminati.

GT said (February 24, 2016):

So much fail in that woman's article, it's hard to know where to begin.

But just take this sentence:
"Whether or not single women are looking for government to create a "hubby state" for them, what is certainly true is that their (white) male counterparts have long enjoyed the fruits of a related "wifey state," in which the government has supported (white) male independence in a variety of ways."

The idea that male independence needs "support" from the government is nonsense on stilts. Male independence needs no support at all. Since time immemorial, men have simply gone out and done things (building entire civilisations) without needing fifteen-odd years of "education" in feminised, state-subsidised indoctrination centres, "affirmative action", or copious subventions extorted through tax. The only "support" the government could give independent males is to leave them alone -- something which it resolutely refuses to do. Government does not support independent males: it is parasitic upon them. ...As are the vast armies of "independent" females employed in jobs funded directly or indirectly by the state -- let alone the hordes of females living on welfare benefits. Of course the lying witch writing that article would sooner die than admit this.

It's the height of political incorrectness to say it, but Tony B is right: women should never have been given the vote. (For that matter, I'm not even certain that men should have, either: I tend to think democracy itself is just a scam -- another means of roping us into the New World Order.) Giving women the vote was simply another subtle way of driving a wedge between husband and wife and thus breaking up the family.

...And to the deluded female in the photo holding the sign (I notice that they're mass-printed -- the one on the left is identical): you're not called a slut because your sexuality "scares" people -- you're called a slut because your "sexuality" repels and disgusts people. But I doubt that even this simple truth will sink in, either...

What a world.

Paul said (February 23, 2016):

Over and over again I work on jobs where men sacrificially work hard and long hours for sake of the profitability of business. More often than not is a woman in charge who gained her position through affirmative action or by a useless business degree obtained and subsidized through same.

She traipses around in high-heels and a mini, drives a nice car, and is paying on property, having no idea what men are doing around her or how they make the business a success. She wants nothing to do with those low-lifers and they of course will never consider her marriage material.

Larry C said (February 23, 2016):

Henry, this sentence in Rebecca's article really struck home because truer words were never written:

"It reduces all relationships women have to marital, sexual, hetero ones and suggests that they are, by nature, dependent beings, in search of someone--if not a Âhusband then an elected official or a set of public policies -- to support or care for them."

Have you ever met a single mother who didn't consider herself both a martyr and a victim for raising children alone and, consequently, deserving of entitlement? I haven't.

All Illuminati have to do to control a group of people is have them believe they are considered less equal by other groups. It works every time. For example, here's a current quote off Yahoo News:

"Republican presidential candidate Ben Carson says that President Obama cannot truly understand the African-American experience because he was â€œraised white.â€□

After reaching an agreement with President Trump, David Ellison--the son of the second-richest man in the world, Larry Ellison--has acquired Paramount Global, the media giant that owns CBS News.

Larry Ellison, the largest private funder of the Israel Defense Forces, is deeply tied to the Israeli national security state and counts Prime Minister Benjamin Netanyahu among his closest friends.

David has already announced significant changes at CBS, promising "unbiased" news coverage and "varied ideological perspectives," which are widely understood to signal a shift toward right-wing, pro-Trump coverage. Worse still, Bari Weiss, a journalist with a long history of zealous pro-Israel advocacy, is being considered as the network's new ombudsman, shaping its political direction, precisely because of her "pro-Israel stance.

Oracle started as a project for the Central Intelligence Agency. Indeed, it is named after Project Oracle, a 1970s CIA operation on which Ellison worked. For some time, the CIA was Oracle's only customer, until it began to win contracts with other agencies of the U.S. national security state. Today, although Oracle's customer base is much wider, it maintains its role as the privatized face of the CIA.

Yet if Oracle is close to Washington and Langley, it is perhaps even more intimately tied to the State of Israel. An avowed Zionist, Ellison has worked tirelessly to advance Israel's political project. Among his closest personal friends is Benjamin Netanyahu, with whom he vacationed on his private island in Hawaii. Ellison was so impressed and confident in the Israeli prime minister that he offered him a seat on his company's board, replete with a salary of $450,000.

While Oracle has signed multiple lucrative contracts with the Israeli national security state, Ellison himself has personally bankrolled the Israeli Defense Forces, giving tens of millions of dollars to the Friends of the IDF, an organization that purchases equipment for the Israeli military. This included a $16.6 million pledge (the largest single donation the group has received) to build a new training facility for soldiers defending what he called "our home." As Ellison explained:

(henrymakow.com)

I worked as an Information Officer, in the Federal Election on April 28, 2025. I was at the - Dr Knox Ecole /School- Polling Station in Kelowna BC from 5:45 AM until 8:30 PM .

I want to put in writing what I witnessed:

1- Numerous voters , at least 50%, asked if they could use their pen, that they brought to vote. I said YES.
LATER- after the polls closed, I was then asked to, do the Tally. (Record the choice of vote on the ballot) As the Deputy Returning Officer called out the Name of The Candidate selected, I was to record it.

I noticed, None Of the ballots were in Pen. Only pencil. I know for a Fact, I sent most voters, that had a voting card, to desk # 17.

The total of votes tallied at desk #17 were the most of any other desk in the Polling Station. I asked my DRO why none were in pen. No answer offered.
These ballots were then put in an envelope and sealed. My signature is on record as I tallied the total.

2- I noticed many voters turned away that had proper ID. I talked with many to ask why they were refused as these voters were very upset and felt very concerned that they were refused. It turned out that an ENTIRE APARTMENT BUILDING on Valley Road was missing from Elections Canada Information. Meaning none of the residents had voter cards. Without the cards they needed to provide valid ID. Without PROOF OF The Building Existing, none of the occupants could vote, even with valid Passports, Drivers Licenses, morgage docs, rental agreements, bills ect. It was mindboggling to watch these people turned away. I brought each person to the supervisor to help them vote and the Supervisor said there was nothing they could do without without Election Canada approval.

3- Election Canada was not accessible most of the day. By the afternoon, no supervisor or senior officers could get through for any verification.

4- over 60% of voters were under 35 at this location. There were a handful of 70 year old and up. This was remarkable to see such a massive amount of youth. I lost count of how many youth told me it was their 1st Time voting Federally. I asked for stickers or anything to hand out. There was nothing for 1st time voters or children attending with parents.

5-One other Information Officer informed me, his wife was working at the head of Elections Office in the Landmark Building where all the Special Ballots were. These ballots were done very early and you wrote the Candidate name on the ballot. This was done for weeks. Other specail ballots are the mobile voting and mail in votes, ect. The ballots were not precounted. I spoke with this man after the polls closed and after we tallied to ask if his wife's still counting. He said they did not finish yet and that there was approximately 20,000 ballots. STRANGE that Kelowna called out a winner without that many ballots counted.

6- Many voters spent the day going from Polling Station to Polling Station trying to vote because the Election Canada website was not working so no one could troubleshoot all these oddities with missing voters cards and locations of Polling Stations based on the address of the voters.

7- I can assure all Canadians what I saw in only 1 poll would have a difference in the outcome of this riding. When an entire apartment building is missing, that is not a simple insignificant issue . Hundreds of voters are not counted and that will change the outcome of elections.

My experience is of only 1 poll, in 1 riding, in 1 city, in BC . If it happened here I'm safe to understand it happened in other places. That is one of endless reasons that Elections Canada was not reachable or web sites working for most of the day.

Very clear interference in the Voting Of eligible Voters witnessed today.

Manitoba Needs a New Conservative Party

(https://www.facebook.com/100088442083883/posts/661887870102610/?rdid=ojfHkB0IcORnZKON)

by Larry Brandt
(henrymakow.com)

The Manitoba Progressive Conservatives are in freefall -- and it's no accident. Once a party grounded in personal freedom, fiscal responsibility, and common sense, it has abandoned its roots to chase the approval of special interest groups, lobbyists, and political insiders.

The recent leadership race was a disaster that confirmed the rot. Instead of learning from the elitist failures of the past, the party doubled down. Only 10,990 memberships were sold -- nearly half of the previous race. Just 6,750 ballots were returned. Wally Daudrich won the popular vote with 3,387 votes to Obby Khan's 3,334 -- a clear one-person, one-vote victory. But the PC establishment had already stacked the deck with a manipulated "points system," allowing Khan to seize victory by weighting small ridings

heavier than large ones. In places like Steinbach, Daudrich's strong showing was diluted.

Meanwhile, Khan's wins in low-turnout ridings like The Maples translated directly into points.

Even Premier Wab Kinew could see it coming. The fix was in.

The will of the membership was thrown aside in favor of what insiders wanted. The result? A deeply divided party, rapidly shrinking, financially strained, and morally compromised.

The scandals continue to pile up.

• Over $2 million in consulting contracts were quietly funneled to the PC's failed campaign manager, Marni Larkin, through daycare projects while the PCs were in government.

• The son of a major PC fundraiser was handed multimillion-dollar daycare construction contracts without competitive oversight.

• A campaign "car rental" expense turned out to be a hidden payment to a known sex coach.

• The Integrity Commissioner's pending report into the Sio Silica project looms over the party, with serious questions about attempted fast-tracking after electoral defeat.

• Now, the party's newly installed leader, Obby Khan, faces a $400,000 lawsuit from a former business partner alleging financial wrongdoing.

At the same time, the PCs -- led by figures like Khan -- are increasingly paralyzed in the face of street-level violence and campus protests where hatred toward Jews is openly displayed. They cannot -- or will not -- forcefully condemn the violent, hate-filled

ideology taking root, because political Islam now lurks just beneath the surface of their new coalition.

This is no accident. Political Islam, dressed as a religion, has destabilized the Middle East and Europe -- and now it's creeping into Canada. It does not coexist with Western freedoms. It seeks to dominate them. And with figures like Khan at the forefront,
the Manitoba PCs have placed themselves on the wrong side of history, unable to defend the very principles our civilization was built upon.

Unless the Manitoba Progressive Conservatives return to true conservative values -- courage, accountability, and loyalty to the people, not the elites -- they will not just lose power. They will lose their soul.

For true conservatives -- for those who still believe in protecting our freedoms, in honest leadership, and in standing unapologetically for the people -- there is a better choice: the Keystone Party of Manitoba.

The Keystone Party represents the future that the PCs abandoned: a movement built not for lobbyists or insiders, but for ordinary Manitobans who are tired of being sold out. It is the home for those who will no longer tolerate corruption, ideological drift,
or moral cowardice.

If you believe in real conservatism, if you want real leadership with real accountability -- then it's time to walk away from the broken PC establishment and build something better.

It's time to come home. It's time to build Keystone.
